

Copy of Lr.No. 54/49556/89 dt. 12.4.99 from the Director,
T.N.M.V.M.D., Madras. 93 addressed to All Heads of Departments.

Sub: Private workshops - Recognised for carrying out repairs to Govt. vehicles and Motor Cycles for the period from 1939-90 and 1989 respectively - list communicated.

I am sending herewith a list of private Automobile workshops Recognised for carrying out repairs to Govt. vehicles as noted against each for the period from 1-4-99 to 31-3-90, I am also enclosing the list of approved workshops for the Motor cycles for the period from 1-1-99 to 31-12-99, I am to point out that instances have come to notice that while communicating the list of approved workshops to the subordinate officers, the nature of repairs for which the firms are recognised are not communicated and some of the vehicle using officers entrust the work to the approved workshops without taking note of the nature of repairs for which a firm is recognised.

I therefore request that the list may be communicated to all your subordinate officers in the Districts with details of nature of repairs etc. as approved.

The vehicle owning officers may be suitably instructed to checkup this approved list, whenever their vehicles are sent to private workshops and on no account the vehicle should be sent to unapproved workshops for carrying out repairs.
