FINANCE (PENSION) DEPARTMENT

G.O.Ms.No.307   Dated: 13.5.1982
                          Chithirai 30, Thunthubi
                          Thiruvalluvar Aandu, 2013.

ORDER:

According to Rule 12 of the Tamil Nadu Civil Pensions
(Commutation) Rules 1944, if a pensioner dies on or after the
day following the date on which commutation took effect but
before receiving the Commutation Value, the amount shall be
paid to the legal heirs. Instances have been brought to the
notice of Government where the commutant happened to die even
before the commutation took effect. In such cases as Rule 12
of the said rules was not technically satisfied, the payment
had to be made to the heirs in relaxation of the rules.

2. Since there has been a number of claims requiring
such relaxation of the rules, Government have considered
whether it would not be desirable to make the commutation
Value payable if the commutant dies on any day after the
orders sanctioning the commutation is issued.

3. After careful consideration Government direct that
once sanction for the commutation value has been accorded,
such value may be paid to the legal heirs, in case, the
commutant dies before the sanction takes effect or payment
is authorised. The commutation Rules shall be deemed to
have been amended accordingly as from the date of this order.
Formal amendments to the Commutation Rules will be issued
separately.

(BY ORDER OF THE GOVERNOR)

                             N.ARUNACHALAM,
                      Deputy Secretary to Government.
