ORDER

The Tamil Nadu Civil Services Joint Council at its meeting held on 16.4.1982, suggested among other things, that the question of granting exemption from payment of Profession Tax to those getting an income below Rs.500/- per mensem may be examined.

2. The Government have carefully examined the above suggestion and they consider that it is not in the interest of the local bodies to increase the existing income limit for profession tax exemption. They direct that the status quo be maintained.
