

ABSTRACT

Urban Development - Automated Building Plan Approval System / Single Window Approval - "GO live" permission for first phase of Single Window Online System in Chennai Metropolitan Development Authority and Director of Town and Country Planning - Orders - Issued.

HOUSING AND URBAN DEVELOPMENT [UD-3(2)] DEPARTMENT

G.O.(Ms.) No.56

Dated: 18.04.2022

சுபகிருது வருடம், சித்திரை - 5,
திருவள்ளூர் ஆண்டு 2053.

Read:

From Member Secretary, Chennai Metropolitan Development
Authority Letter No. C3(S)/15623/2021, dated 07.04.2022.

ORDER:

In order to streamline the Planning Permission approval process, Chennai Metropolitan Development Authority and Director of Town and Country Planning (DTCP) under the Department of Housing and Urban Development have jointly started a new reform initiative to grant hassle free planning through implementation of a single-window system.

2. In this regard, during the Chief Secretary's meeting on Single Window Online System held on 21.02.2022 the following decisions were taken:-

- Each department should issue specific guidelines for issue of NOCs.
- The department should develop their online portal so that it could be integrated with the Single Window Online System.
- The data/document required by individual departments/agencies for issue of NOC should be furnished so that applicants could share the documents/prepare plans conforming to the guidelines.

..2..

- Training should be given to all the personnel involved in the user system.
- Discussions with a few departments on one to one basis has to be done.

3. During the Hon'ble Chief Minister's meeting held on 25.02.2022 among other things the following was decided with respect to implementation of Single Window Online System:-

"The Chennai Metropolitan Development Authority and Director of Town and Country Planning may go ahead with implementation of Single Window System in the first phase(which can be launched in April, 2022), Municipal Corporation and Municipalities may join next and then after Town Panchayats and Rural Local bodies in phase-3".

4. The Member Secretary, Chennai Metropolitan Development Authority in the letter read above has reported that in the first phase, on 01.04.2022, as part of trials for "Go-Live", Planning Permission Applications were uploaded in the website for Planning Permission doing away with requirements of any hard copy of plans and documents. Most of the modules are ready to process Planning Permission applications online and trials will ensure that all necessary corrections and modifications are undertaken. The system will be ready to "Go Live" after 2 weeks and requested orders to permit "Go live" of Automated Building Plan Approval System / Single Window Approval.

5. The Government after careful examination accord "Go live" Permission for implementation of first phase of Single Window Approval in Chennai Metropolitan Development Authority and Director of Town and Country Planning with effect from 01.05.2022. Integration of the NOC issuing agencies into the Tamil Nadu single Window Portal shall be carried out within the Single Window Online System as per readiness of those departments in the first phase. The list of NOC departments / agencies are given in the annexure to this order. Integration of Urban Local Bodies(ULBs) and Rural Local Bodies(RLBs) in the Single Window Portal shall be carried out in phased manner based on their readiness as per the decision made during the meeting held under the Chairmanship of Hon'ble Chief Minister as referred to on para 3 above.

6. Director of Town and Country Planning should give direction to all the Local Planning Authorities to commence trials to "Go Live" immediately and ensure that by 01.05.2022 whole system goes online.

7.The Member Secretary, Chennai Metropolitan Development Authority and Director of Town and Country Planning are requested to take action accordingly and to send the monthly progress on implementation of the Single Window Online System to Government.

(BY ORDER OF THE GOVERNOR)
