In the Government letter first cited, Government has issued certain guidelines/ instructions for strict compliance in processing proposals relating to revision of pensionary benefits in respect of those retired between 01.01.2006 and 31.05.2009, one among them being the post audit of the pay fixation done by the Drawing & Disbursing Officers by the office of the Accountant General, to ensure the correctness of the pay fixation, so that, if any erroneous fixation is noticed, downward revision of pension and adjustment of excess payment in the last instalment of arrears to be paid could be effected.
