The Accountant General, Madras has brought to the notice of the Government that Departmental Officers are not furnishing ~~the~~ the details of the assessed dues as well as unassessed dues to be recovered from the retiring Government Servants well in advance before the date of the retirement of the Government servants. Hence a portion of Death-Cum-Retirement-Gratuity has to be with held by the Audit Office while releasing the pensionary benefits and this amount could not be released for payment, until a final reply is received from the Departmental Officers. The Accountant General has, therefore, requested the Government that suitable instructions may be issued to all the Departmental Officers to see that the existing instructions are scrupulously complied with.

2. I am therefore to request you to ensure that the pension cases in complete shape duly indicating the exact amount to be recovered are sent to the Accountant General. If such an intimation is not sent within one year from the date of retirement, then the withheld amount will be released by the Accountant General without further loss of time and for any over payment which could not be recovered, it will be the sole responsibility of the Departmental Officers. I am therefore to request you to see that such contingencies do not arise in future and that the exact amount to be recovered in indicated positively in all pension cases sent to A.G. I am also to request you to nominate an officer to process such cases duly for the purpose of ensuring that all recoveries are indicated clearly. The departmental officers will be held responsible if any omission is noticed at a later date.

3. As regard aided schools and colleges necessary instructions will be issued by the Education Department separately.

Yours faithfully,

Sd/x
