## **TERMS AND CONDITIONS**

### **1. BACKGROUND**

Corporation of Chennai is the premier civic body in India and “Corporation of Madras was inaugurated on 19th September 1688 under the Royal Charter of the Emperor of England.

Chennai is one of the four major Metropolitan cities today in our country, once it was a fisherman hamlet, four centuries ago. Today it is the hub of industrial, commercial, Information Technology, education, recreational, cultural and other various activities. Also with a major seaport and airport, it is a major Metropolitan city in the southern part of our country.

Corporation of Chennai maintains 305 km. length of Bus Route Roads and 2475 km length of interior roads.

The growth of vehicles has gone up manifold due to the enormous growth in all sectors like business and industries. This improvement has caused the necessity for creating more parking places in Chennai City.

With the above background Corporation of Chennai Proposes to construct Fully Automatic Multi Level Car Parking on Design, Build, Operate & Transfer (DBOT) Basis at Anna Nagar, Adyar & Purasawakkam, in Zones – V & X.
