Address with Seal:

Signature of Tenderer.

GENERAL TERMS & CONDITIONS.

- 1) Tenderer or his / her authorised representative should be physically present at the time of opening of tender and if for any reason they want to withdraw from the tender they may do so on written request, before opening of the tender.
- 2) The successful tenderer hereafter-called contractor should pay 2% Security deposit of total sanctioned value and execute an agreement for the due and faithful performance of the contract as required under MCMC act.
- 3) The period of contract will be one year from the date of order.
- 4) The contractor may submit the bills every month to the M.E.Department for claiming payment duly certified as per formats issued by department.

TERMS AND CONDITIONS.

- 5) The contractors should deploy sufficient mechanics at Zonal lorry station ZONE VIII or wherever the vehicles are normally parked.
- 6) The contractor should take up all the preventive maintenance and running repairs (including Water wash and Lubrication).
- 7) The water washing and lubrication to be carried out once in every 15 days for each vehicle and to be duly signed by the concerned AE/JE of operation depot., failing which will attract penalty.
- 8) Sufficient mechanics to be posted for attending preventive maintenance, running repair work and breakdown repairs should be carried out daily with necessary breaks in between and satisfying the necessary Labour Act. Break down reports should be attended in all three shifts on all days including Holidays.
- 9) The tyre puncture patches, welding works including supply of Electrodes and Gas welding and small repairs such as Battery Terminal soldering, cable soldering, radiator cleaning, soldering and leak arresting, repairs in electrical system including minor repairs of Self Motors and Alternator Assemblies shall be attended by the contractor. Procurement of items such as M-Seal, Metal paste should be done by the contractor.
- 10) All necessary special tools / fixtures including lap top for diagnosis for trouble shooting should be arranged by contractor.
- 11) Minor tinkering, welding, painting work should be attended everyday, failing which penalty clause will apply.

Signature of the Tenderer

- 12) Welding / repair work on roll - top mechanism should be attended on the same day, failing which penalty clause will apply.
- 13) Complete wheel overhauling work to be carried out whenever necessary (schedule will be given by operating depot AE/JE)
- 14) The Corporation of Chennai will provide Car Washer Unit, Welding Unit, and Battery Charger Unit at respective locations. The necessary Tools, Test Lamps, Jacks should be brought by the contractor. Wherever such provision is not available the contractor shall arrange for the same.
- 15) The contractor should not engage persons below 18 years of age and above 50 years and they should be covered with necessary insurance as required by the Labour Act and necessary Identity Cards with photographs should be issued to the staff.
- 16) The contractor should ensure 100% march-out of vehicles daily in the morning 7.30 A.M and as per the direction given by the A.E./J.E Operating depot concerned. The march out certificate of vehicles should be obtained from A.E./J.E Operating depot of concern Zone and certificate for carrying out the water service and lubrication works of vehicles should be obtained from A..E. / J.E. of Operation Depot of concern Zones, for every month for claiming the payment. In the event of more vehicles being marched out over and above the complement, payment shall be made on getting certificate from the AE/JE of operation depot and AEE of NCD/SCD
- 17) Complete discipline should be maintained like refraining from alcohol consumption while on duty.
- 18) In the event of any accidents involved by the vehicle while in operation, if it is proved beyond doubt that the mishap is due to negligence (or) lapse in maintenance by private mechanics, then the contractor is fully liable for all damages to the vehicles/ men and other third party damages.
- 19) In the emergencies and contingencies, wherever the need arises, extra manpower should be substituted to ensure normal 100% march out without extra cost. The complement details of vehicles are given below:

Complement

HMV	-	13
LMV	-	03

- 20) **Payment Condition:** The contractor should ensure 100% march out in the morning before 7.30 A.M. The payment will be made for the actual march out of vehicles as per the march out certificate issued by the concerned officials.

Signature of the Tenderer

- 21) The department is not responsible for any untoward incident or accident to the private mechanics and the contractor shall take all safety measures while attending work. In case of any accident caused to any person including the contractors and Corporation workmen or Public or damage to any property/equipments in the course of the execution of the contract, the contractor will be solely held responsible for payment of compensation, Medical aid etc.
- 22) Corporation of Chennai is in no way responsible for any consequential damage to either man or machinery while execution of works.
- 23) **Indemnity Bond:** Shall be executed by the successful tenderer indemnifying the Corporation of Chennai from any claim which may arise due to any accident to the workmen engaged for the work.
- 24) **Contractors Failure:** If the contractor fails to fulfil the terms and conditions of the contract or unable to continue the work the Corporation of Chennai has got the right to engage other agency for the work and the resultant excess expenditure if any incurred by the Corporation of Chennai will be recovered from the contractor either from his security Deposit or from the outstanding bills. The contract is liable to be terminated if the tenderer withdraws or does not take up the works within a week after executing the agreement. In either case, the earnest money deposit will be forfeited.
- 25) During morning marchout If the contractor is not replying or responding to the call from the Operation Depot A.E./J.E. , regarding the shortage of manpower severe action will be taken against the contractor and the matter will be reported to MVMO Department.
- 26) Since the conservancy / debris / other operations are being carried out round the clock by the Chennai Corporation, repairing of the vehicles are to be considered very seriously. The PMRR work satisfaction certificate must be obtained in the register by the contractor, from the operation depot A.E./ J.E. **day to day** without fail.
- 27) The contractor should post Welder, Electrician , Tyre man, Site Engineer Motor Mechanics ,Cleaners and breakdown mechanics in PM and Night shift , and if necessary , additional mechanics are to be immediately posted whenever the requisition made by the operation depot AE/JEs.
- 28) In case of non deployment of full strength of manpower continuously for the 15 days , the tender will be cancelled and subsequently the workshop will be recommended for blacklisting, and they will be debarred from participating in any Corporation work. Absence of Welder / Electrician / Tyre man / Breakdown Mechanics will attract penalty
- 29) Air Compressor unit assembly, welding machine, Battery charger, Vulcanizing machine, water service unit are to be maintained in the allotted lorry stations; If any repairs, arise in the above unit assembly, the contractor must do the repair work at their own cost.
- 30) In places where the above critical unit assembly are not in working condition, it is their responsibility of the contractor to carryout necessary repair for the equipment to make them operational and to continue to maintain. Where the above mentioned equipments are not available or under repair, the contractor shall make necessary arrangements for carrying out

the repair works at their own workshop premises. Especially, the contractor must make necessary arrangements, getting all the vehicles water washed / lubricated , at their own workshop premises.

31) During morning marchout, Electrician, Welder, Tyreman & Mechanic must be compulsorily be present in each of the depots, where the vehicles are being marched out. Any breakdown occurring within one hour of marchout shall be attended by these staff , failing which ,will attract penalty .

32) All the vehicles should be marched out before 7.30 am failing which , will attract penalty

33) **Penalty Clause:**

A) The following penalty will be imposed in the event of NON MARCH OUT OF VEHICLE

- | | | |
|--|---|-------------------------------|
| a) For every vehicle for Taurus | - | Rs.700/- per day. |
| b) Tipper & other vehicle | - | twice the rate of final order |
