1. Tenders for the execution of the above works (as detailed in the tender schedule and specification) in the City of Chennai will be received on behalf of the Commissioner, Corporation of Chennai by the Superintending Engineer / Electrical, Electrical Department at his office at Ripon Buildings, Park Town, Chennai upto 3.00 P.M. on the due date mentioned.
2. Printed forms of tender and contract together with drawings can be obtained from the Tender sales counter, Ripon Buildings, Chennai Corporation against payment of the amount specified, in the form of Bank Draft. This amount will not be refunded.
3. The work to be tendered for include all associated works. Connected with the above mentioned works, as specified in the specification and also subject to the terms and conditions contained in the contract. Decision of the Superintending Engineer / Electrical, will be final in case of any dispute regarding the nature of work to be carried out.
4. The tenderer shall carefully inspect the entire route and alignment of road for Lamp post installation/cable laying and shall inspect the Corporation Building in case of Electrification for this contract before tendering for the work so as to get an idea as possible of the extent of any implications involved in the work comprised in the contract.
5. The tenderer has to fill in the letter of tender and bills of quantities, must sign and deliver them back to the Superintending Engineer / Electrical, Electrical Department, Corporation of Chennai at his office at Ripon Buildings, Park Town, Chennai-600 003, in a sealed cover, superscribing the work, due date of opening reference number for which quoted and.
6. Tenderer shall furnish their tender along with the EMD in wax sealed cover for the contract value upto Rupees Twenty Five Lakhs. If the contract value more than Rupees Twenty FiveLakhs, the tenderer shall furnish their tender in three cover system. That is, one cover containing the tender and another cover containing the EMD, both these cover placed inside the third sealed outer cover with the subscription of Tendered work, due date of opening time etc. shall be addressed to the Superintending Engineer / Electrical, Corporation of Chennai, Chennai - 600 003, and delivered at Tender Sales Counter, Ripon Buildings on or before the due date of opening before 3 p.m. The tenders will be opened at the Ripon Buildings, Corporation of Chennai at 3.15 p.m. on the due date of opening. Belated offers will not be considered. Every tender must be accompanied by EMD at 1% of the contract value by the way of BankDraft payable at Chennai. Cash or Cheque or Tenders without required EMD will not considered.
7. No alteration whatever may be made in the text of the tender any remarks or explanations should be sent but in the covering letter. The form of contract is bound up with the other documents so that the tenderers may know that their liabilities and duties are and the entire tender form should be submitted to the Corporation when submitting the tender.
8. Attention is drawn to the Security Deposit, normally upto 2% (but which will be vary depends upon the lower percentage as mentioned in their Terms and conditions enclosed herewith) of the contract value which will have to be deposited by successful tenderer and to his having to execute agreement attached within the time stated in the letter of tender. The Corporation will not accept

letters authorising the Corporation to adjust amounts payable towards tender deposit as security deposit from pending bill of the tenderer.

9. The tender deposit of each unsuccessful tenderer will be returned to him as soon as possible after the final disposal of the tender. Deposit of the successful tenders will be returned to him after he has deposited the security deposit and execute the agreement, if that is done within the required time.
10. The successful tenderer will have to pay all stamp charges on the contractor.
11. Should the successful tenderer fail to furnish such security to execute the contract within the time specified for that purpose in the tender or to furnish the income tax clearance certificate while execution of agreement, he shall forfeit his tender deposit to the Corporation and concluded contract will in such case be considered as having been rejected abanded and the Commissioner of the Corporation of Chennai shall there upon be at such time or times in such manner and on such terms as he may think it to arrange for the performance of the work departmentally or be any other person or persons and the defaultingtenders shall be held liable irrespective of the forfeiture of aforesaid for all damages losses costs, charges and expenses arising from or by reason of such failure and arrangements. The acceptance of the tenderer by the Corporation shall be deemed to result in and constitute a valid and concluded contract binding on the tenderer not withstanding the non-execution of the contract agreement.
12. It must be clearly understand that the prices quoted in the tender are to include everything required to be done by conditions of contract and specifications or by any drawing therein referred to and also all such works as are necessary for the proper completion of the contract through special mention thereof may have been omitted in the specifications or drawings.
13. No allowance shall be claimed by or made to the contractors whose tender may be accepted for any error in rates of whatsoever description that may be discovered after his tender is sent in.
14. The Corporation does not bind itself to accept the lowest or any tender or to adhere to the quantities specified and may reject and or all or the tenders received without assigning any reasons or more items of work without assigning any reasons.
15. The successful tenderer will not be exempted from the payment of any municipal rates,tolls or taxes in consequence of his being contractor for the Corporation.
16. Any further information that may be required may be obtained from Electrical Department, Corporation of Chennai, on any working day between 10.00 a.m. and 5.30. p.m.
17. The tenders shall be opened for acceptance for a period of 90 days from the last date fixed for the receipt of tender. If there is no mention about validity period in the tender, it will be construed that the quoted rate are valid for 90 days.
18. Tenderers are referred to the description of work given in the accompanying specification which is to be read as part of the Bill of quantities. The rates and prices given in the bills of quantities are to cover all the works and detailed described in the specification or shown in the drawings and it is to be strictly

understood that no claim will be entertained which is based on the circumstances that works may be described in the specification to which apparently no corresponding items is given in the bills of quantities.

19. The tenderers or their agents are expected to be present at the time of opening tenders. The Tender receiving Officer will open each tender, prepare a statement of the attested and unattested corrections therein and if any of the tenderers or their agents find unattested corrections and communicate it to him. The absence tenderers shall then accept the statement of the corrections without any question whatsoever.
20. 2% plus 12% surcharge on I.T. and 2% Education cess M I.T and S.C. on Income tax deduction will made by the department from the work bill value during the payment to the contractor for crediting in the accounts of Central Government as per section 1940 of Income Tax Act 1961.
21. 5% retention amount from the work bill value will be withheld for release with security deposit soon after satisfaction of entire work execution.
22. Post offers will not be considered.
23. The rates shall be quoted both in words and figures.
24. The tenders should be sent in wax sealed covers only.
25. Every Tenderer is requested fully pre-receipt the enclosed E.M.D. refund order form by affixing a Rs.1/- revenue stamp at the appropriate place and signing over it under official seal for arranging refund of E.M.D. in the case of successful contractor E.M.D. will be refunded on execution of agreement and payment of security deposit.
26. The bank draft for EMD shall be drawn in favour the Commissioner, Corporation of Chennai.
27. The security deposit shall be furnished by the successful tenderer in the shape of National Small Savings Scripts / Certificates and have to pledged in favour of the Commissioner, Corporation of Chennai.
